## Description :

Prsentation de l'diteurThe Sword of Truth series follows Richard Cypher, a young woodsman intent on tracking down his father's murderer. His quest will take him far from home, embroiling him in an ancient war, three-millennia past, that is about to re-ignite with world-shattering violence. The world is descending into darkness: the Imperial Order have breached the catacombs of the People's Palace, Richard and Kahlan are held captive and magic itself is mortally tainted. The few still free are powerless to stop the coming dawn of a savage new world. Richard faces the guilt of knowing that he must let it happen. Alone, he must bear the weight of a sin he dare not confess to the one person he loves... and has lost. When next the sun rises, the world will be forever changed.
