Prsentation de l'diteurA charity murder game at a Devon house turns into the real thingSir George and Lady Stubbs, the hosts of a village fte, hit upon the novel idea of staging a mock murder mystery. In good faith, Ariadne Oliver, the well known crime writer, agrees to organise their murder hunt.Despite weeks of meticulous planning, at the last minute Ariadne calls her friend Hercule Poirot for his expert assistance. Instinctively, she senses that something sinister is about to happenBeware nobody is quite what they

seem! From AudioFile Even Hercule Poirot is nearly stumped this time. A famous crime fiction writer and friend invites Poirot to attend a murder hunt she's devised to entertain attendees of a fete at a country estate.

Wouldn't you know it, the faux victim really does end up dead. The rest of the book is a chance to get to know the guests and suss out possible motives. Christie is the absolute best at creating an England that may never have existed except in our imaginations: garden parties, fancy dress, and roses in bloom. No one presents this varied cast of characters like David Suchet. Suchet may well be one of the best stars working in audio recording today. No one can excel him in making a character come alive as a distinct individual. Little pauses, stutters, lisps, background edginess, or a sense of humor lilt through to craft each person like a little painting and make him and her much more distinct than a mere accent would. David Suchet is a class act and a fine artist. D.G. And I've never wanted to escape. (Meg Gardiner, Edgar Award-winning author) The infallibly original Agatha Christie has come up, once again, with a new and highly ingenious puzzle-construction. (New York Times) A classic Christie and one of the best. (The Times (London)) The solution is of the colossal ingenuity we have been conditioned to expect. (The Times Literary Supplement (London))
