## Description :

Prsentation de l'diteurKallandras is a Master Bard trained in the famous Senniell College. He is often sent by the Bardmaster into war zones - because he always survives. There is a reason for this; the training he received in the Bardic College was not the only training to define his life. Set during the desert trek through the Sea of Sorrows, this is the story of Kallandras youth, in the labyrinths of the Brotherhood of Assassins.
