Description :

Prsentation de l'diteurThey're called the Nightwalkers - proud, ancient beings who live beyond the shadows, existing just beyond the human world. But there are also dangerous humans who hunt them. And for a Demon named Gideon, the battle against these evil forces will soon become all too personal . . .For a thousand years, Gideon's wisdom has always been respected without question, but he knows that even he is vulnerable to the powerful, primitive desires that befall his kind during Hallowed moons - as nine years ago he found himself claiming Magdelegna, the Demon King's sister, in a wild embrace. Horrified by his lack of control, he left her wanting and furious - and then exiled himself. Now with the necromancers threatening his people - and Magdelegna nearly their victim - Gideon must face another truth. He and Magdelegna are

destined to be together. But first he needs to regain her trust, which might be the biggest challenge of all. Trying to keep up with this and realizing I haven't updated this since 2012. (It's 2015 right now) I've expanded my online presence to include Facebook and Twitter, a website a blog and every other bleeping thing there is out there in the cyber world. Was finding it hard to manage all that exposure and get work done at the same time. I am writing under two names (JAX is for my steamier stuff...and yes, it does get steamier!) And I am in over half a dozen languages now! INCLUDING a full line of NIGHTWALKERS audio books with the glorious narration of the superb Xe Sands. I'm thrilled with the job she did! NIGHTWALKER, the final book in the NIGHTWALKER series has just debuted and my fingers are crossed that it will do well. I'm still living in Asheville, NC. My kitty family has dwindled to a mere eight cats. I was fostering and...I found it so hard to trust anyone would give them a better home than me! Is that ego or arrogance or just trust issues? Email will always be welcomed. I am a tech queen and my laptop has grown roots into my thighs. (And my bottom has grown them into my recliner). I am so thrilled about all of my books and I want to know what everyone thinks of them! I think it would be fascinating to hear what my readers would like to see happen in the Nightwalker world as the series ends. I receive emails at jackifrankwrites@gmail.com these days. Feel free to say hi! If you haven't tried me, please do. I always recommend starting with JACOB. Or if you don't want to invest in a series, go for DRINK OF ME. It's a stand alone. Enjoy, Hugs and Kitties, Jacquelyn Frank
