People who discover they are hybrids report feeling more authentically themselvesmore energized, powerful and self-lovingas a result of their discovery. AM I A

HYBRID? If you answer yes to these statements, Hybrids will be of special interest to you: - I often feel I don't fit in - I am hypersensitive to violence- I am deeply committed to helping the Earth- I would describe myself as an independent thinker - I follow my own inner guidance about rightness, even if it goes against the norm. As with her ground-breaking work on elementals in the classic Summer with the Leprechauns, Tanis is, with Hybrids, once again at the forefront of an entire new genre of investigation.
