Description : Description du produitKindle version of Flaubert's classic novel about a middle-class provincial French housewife.

Prsentation de l'diteurOne of the worlds most celebrated novels, soon to be a major motion picture starring Mia WasikowskaThis indelible portrait of a beautiful womans aching lust for moremore romance, more glamour, more funand her resulting tragic demise, is widely considered one of the finest novels ever written. Flauberts refusal to condemn his adulterous heroine, a woman trapped as much by circumstance as by her own boundless desires, scandalized nineteenth-century France and resulted in a trial on charges of obscenity.

But it is the beauty of the novels prose, the great care it takes with characters major and minor, and the relentless but elegant thrust of its narrative, that puts Madame Bovary in a class by itself. In the story of a provincial doctor and his wifes tawdry affairs, Gustave Flaubert found the stuff of great literature. A perfect novel about imperfect people, Madame Bovary is the rare classic that exceeds expectations and feels as fresh now as it did the day it was written.
