## Description :

Prsentation de l'diteurDevi is unemployed and unmarried, with more secrets than she knows what to do with.She knows she will never live up to the example her elder sister has set as not only a traditional Indian wife but also a successful businesswoman. Having lost both her job and a baby, Devi views her life as a failure. With nothing left to lose, she tries to take her own life.Fate, however, has different plans for her.

Devis mother Saroj stops by Devis apartment and lets herself in with her spare key, thinking Devi is at workonly to find her daughter lying unconscious in the bathtub.Devi is devastated to discover her life has been saved - not only can she add suicide to her list of failings, but she isnt sure what shes been saved for.

Forced to move back in with her parents, she stops speaking, and instead begins to express herself through cooking. Her mother, who has never cooked anything but traditional Indian food in her life, is astounded by Devi's sudden surge of culinary interest; her wild, crazy concoctions, though far from the meals Saroj is used to preparing, draw the family back to the table again and again. As Devi's refusal to speak continues, her family begins instead to talk to each other, about their own relationships and their own failings. And in the wake of Devi's silence, secrets are revealed that will rock the family to its core: a complex exploration of love, recrimination and forgiveness - *TIME* powerful and evocative - *SHE MAGAZINE* Amulya Malladi is the author of five novels, including *A Breath of Fresh Air* and *The Mango Season*. Born and raised in India, she currently resides in Denmark with her family. Endeavour Press is the UK's leading independent publisher of digital books.

*Revue de presse* A feast of a book, sizzling with the humor and tensions that bind its characters together. Amulya Malladi's writing is as hot as her protagonist's fiery cooking. *GEMMA TOWNLEY*, author of *When In Rome* and *Little White Lies* Reading this is like spending time with a warm, witty, and honest friend. Malladi isn't afraid to tackle the big issues head-on, and above all this is a life and love-affirming book. *SARAH SALWAY*, author of *The ABCs of Love* A refreshingly candid portrayal of the Indian immigrant experience in America. At times darkly comic, at others profoundly moving, the characters will linger in your mind long after you turn the final page. *KAVITA DASWANI*, author of *For Matrimonial Purposes* Presentation de l'auteur Devi is unemployed and unmarried, with more secrets than she knows what to do with.
