From Foreword by Sylvia Brownwww.AutobiographyOfAnET.com"Biographie de l'auteurFresh out of high school, California native Craig Campobasso found himself working behind the scenes for four years on Frank Herbert's Dune. The father and daughter producing team, Dino and Raffaella De Laurentiis, and director David Lynch, were Craig's mentors into the business of filmmaking. Raffaella later hired him on the popular Christmas movie Prancer, starring Sam Elliott, as a casting director after he apprenticed as a casting associate on Steven Spielberg's Amazing Stories. Craig has been casting for more than two decades and was nominated for an Emmy for casting David E. Kelly's Picket Fences. He is also an acting coach in the Los Angeles area. Craig's passion is to write stories that provoke the reader to think, to raise their consciousness, to expand their minds about Creation, while still entertaining in the Hollywood tradition. "The Autobiography of an ExtraTerrestrial Saga: I AM Thyron" is his first book in the trilogy. Websites: www.CraigCampobasso.com
