Prsentation de l'diteurEarth, 2516 A.D. The Unified Authority spread human colonies across the Milky Way, keeping strict order with a powerful military made up almost entirely of clones. He also possesses a unique independence and love of battle. But after the debacle of the Avatari invasion, he and his brethren have been exiled to the far reaches of the galaxy where the U.A. intended to use them as targets for live-fire training exercises. Unfortunately for the Unified Authority, the clones they created and trained to fight have founded their own empire. Now, Harris

will unleash his rage against the might of the U.A. fleet, leading an army with everything to fight for--and one thing to die for: Revenge. Presentation de l'auteur Earth, 2516 A.D. Biographie de l'auteur Born in California but raised in Hawaii, novelist/video game fanatic Steven L. Kent turned a life-long joystick addiction into a 15-year gig writing for publications like MSNBC, Boys Life, USA Today, Chicago Tribune, and Japan Times. After publishing the 600-page *The Ultimate History of Video Games*, Kent satisfied his Pac-Man-angst and set his sights on fiction. Having just submitted *The Clone Elite*, the fourth book in his Wayson Harris Trilogy, Kent is currently writing a standalone sci-fi novel while he develops a new series based on the Unified Authority.
