### Description :

Prsentation de l'diteurRome, 97 BC: Gaius Marius is triumphant. Under his command, Rome has conquered the Western world, weathered invasion and crushed its enemies. There is just one prize left to him: an unprecedented seventh consulship. But the greatest prize demands the highest price. Marius, now aging and ailing, is pitted against a new generation of assassins, power-seekers, and Senate intriguers. There are many who would like to see him fail, not least Lucius Cornelius Sulla, once his closest ally, now his most dangerous rival. Sulla and Marius' contest can only be won through treachery and blood. As a deadly enmity engulfs both men and plunges them towards madness, Rome must fight its own battle for survival.
