Alexandre Dumas began writing at an early age and saw his first success in a play he wrote entitled *Henri III et sa Cour* (1829). A prolific author who also had to battle racism throughout his life, Dumas was politically active, taking part in the Revolution of 1830 and later working for the cause of Italian unification. Among his most famous historical novels, which he often wrote with collaborators (primarily Auguste Maquet) and which were typically serialized in the press, are *The Three Musketeers* (1844), *The Count of Monte Cristo* (1844-45), and *The Man in the Iron Mask* (1848-50). Dumas made and lost several fortunes, and died penniless on December 5, 1870.
