Description :

Prsentation de l'diteurYou watch the TV news every night and think you know whats going on think again.Three friends innocently stumble upon government information that describes a top-secret underwater excavation site and refinery that processes a newly discovered source of energy. The friends are determined to reveal the truth about the facility to the American public and stop the flow of misinformation being dispensed by corrupt authorities within the United States Government. They realize that just because something is legal doesnt mean its right.The Scorpion is a Thriller on steroids!Prsentation de l'diteurYou watch the TV news every night and think you know whats going on think again.Three friends innocently

stumble upon government information that describes a top-secret underwater excavation site and refinery that processes a newly discovered source of energy. The friends are determined to reveal the truth about the facility to the American public and stop the flow of misinformation being dispensed by corrupt authorities within the United States Government. They realize that just because something is legal doesn't mean it's right. *The Scorpion* is a Thriller on steroids!

Biographie de l'auteur John A. Autero is an independent author of science fiction/ thriller adventures set in the not too distant future. An engineer by education, John employs a technical style of writing that combines existing technologies with those that are yet to be developed. John enjoys anything sci-fi, automotive, heavy metal and ballistic. Always a fan of government conspiracies and black-ops, stories like "The Terminator" and "The X-Files" are always on his list of favorites. John was born in the United States and has spent his entire life there, where he happily lives with his wife and pets.
