the Byzantine world; the Mongolian conqueror Tamerlane. Luke, torn away from the woman he loves and all he knows, is trained as a Mongol warrior to impress Tamerlane and his army before joining his fellow Varangian guards, descendants of the men who once brought a vital treasure out of Constantinople. It is this treasure, some say, that can still save the empire - uniting the Christian churches of the east and west in one final triumphant crusade to smite the Ottomans. Set against the vast backdrop of the Anatolian plains, this is a powerful and enthralling historical novel, full of vivid characters, compelling mystery and sensational battles.
