Description :

Prsentation de l'diteurEight yearsThats how long its been since my brothers been gone and not a day goes by that it doesnt kill me, knowing that Ill never see Adric again. Its been a rough journey, one Ive barely survived, but with the help of my childhood friend Kade Haze, Im finally learning to piece what remains back together. Or so I thoughtJust when life is beginning to make sense again and a feeling of normalcy is on the horizon, my carefully constructed walls come crashing down, making it hard to breathe once again. When walking into the tattoo shop one day, the last thing Im expecting to see is Kellan Haze, Adrics best friend who no one has seen or heard from since the day they found my brothers body. Hes nothing like I remember him as a child, with his wild messy hair, tattoos that cover most of his undeniably sexy body and eyes so intense they make my legs quiver with one look. The one thing even I cant deny is the instant rush I

feel just by being in his presence. But how can I choose between love and lust when one of these holds a dark secret, one that can crush my world to pieces and leave me gasping for air. Who can I trust when my mind is pulling me in two different directions and my heart has to choose for me? The Haze brothers are sexy, daring and possibly . . . dangerous. This Regret is a story of love, lust, betrayal and danger with an ending no one will see coming.
